SUMMARY

Motivated Computer Science student with strong foundations in Java, Data Structures, and Algorithms. Skilled in developing web applications using modern technologies and database systems. Familiar with Cloud Computing and Computer Networks. Seeking an entry-level software development role to apply technical and problem-solving skills.

EDUCATION

St Joseph Engineering College

Bachelor of Engineering in Computer Science, CGPA-8.9

R N Shetty PU College

Pre-university course-PCMC, Percentage-94.5

Mangalore, India

2022 – 2026

Kundapura, Karnataka

2020 – 2022

TECHNICAL SKILLS

Languages: HTML/CSS, Java, C, Python

Frameworks and Tools: MySQL, Git, Linux

Soft Skills: Problem-solving, Documentation, Time Management

Other: OOPS, Computer Networks, Operating System, Cloud computing

PROJECTS

Micro-Service Based Campus Sustainability Tracker | *Python, Spring Boot, Swagger, SQL, React*

- Developed a microservices-based sustainability tracking platform to monitor environmental practices in educational institutions.
- Designed scalable modules for tracking and reporting campus sustainability metrics.

Quiz Application Using Java | *Java, Swing, OOP*

- Built a Java Swing-based Quiz Application with timer-based MCQs and navigation controls.
- Implemented real-time answer tracking, auto-submission, and dynamic score display.

Spotify Application Using React | *React, Node.js, Express.js, MongoDB*

- Developed a Spotify-style music streaming platform with queue and volume controls.
- Implemented admin catalog management, in-app chat, and analytics dashboard.

INTERNSHIPS AND CERTIFICATIONS

- InternPe Internship:** Completed a 1-month internship in Java Programming at InternPe, gaining hands-on experience in Core Java, OOP concepts, and application development.
- Network Fundamentals Certification:** Completed certification covering networking concepts including OSI model, protocols, IP addressing, and network security basics.
- Introduction to MS Excel Certification:** Completed training on Excel functions, data analysis, charts, pivot tables, and spreadsheet automation.

LANGUAGES KNOWN

- English:** Professional Proficiency
- Kannada:** Native Proficiency
